Sub: INDIA STRONGER DEPENDS ONLY ON TRUE INDIANS!

Dear Sir,

There are many ways to achieve **the goal of a stronger India**. At every way we need to work with **patriotic passion**. We are proposing one of the most powerful ways to achieve that goal. The way is: **The Leaders in all fields of Nation Building have to be enlightened (*Superconscious*) to guide the mass with them**. If one is ready, *Enlightenment* or *Superconsciousness* is a tool to awaken one's own inner intelligence, the ultimate and the supreme genius that mirrors the wisdom of the cosmos.

At *Superconsciousness* one is connected with the Universe, with its divine energy, with its supreme potential and infinite intelligence! At that state one becomes a Co-creator with the Universe! All great spirits *who have done incredible things in a single lifetime* were in this state of *Superconsciousness*! At this state, a continuous energy flows within which gives one unlimited energy. One can do anything and everything with that energy. It is also called the state of Self-Realization. At this state, we can realize that for TRUTH we can leave everything and for all else we cannot leave TRUTH!

At Superconsciousness, life will never be the same again. The difference will not be in the outside, the difference will be within us. We will change; our values will change, our thoughts-feelings-words-actions will change. Their significance will change. **At this state we realize that the purpose of our life is creating VASUDHAIVA KUTUMBAKAM, i.e., The Whole World Is A Family (Universal Brotherhood or Oneness with All) with our Spirituality, Unique Ability and Service to the Humanity.**

First, we will change, and then our world will change. We will see that we are doing the same thing but the result is profound, satisfaction is boundless, always being at present and doing our work with 100% devotion. Life is full of compassion, creativity, dynamicity and excellence! When we change, people around us will also change. We will truly be instruments of peace, love, creativity, prosperity and progress.

We humbly want to inform you that after 32 years of *SADHANA* we have got some processes with which one can achieve Superconsciousness in a week! (please see the attached **Brochure**). We have named it **EAGLE REBIRTH... RENEW YOURSELF... World's Most Powerful Training Ever! We firmly believe that if EAGLE REBIRTH is done for all the MPs, MLAs, Civil Servants, CEOs, HODs and Head of Organizations-- India can change in a year!**

We normally do this Retreat in a simple venue where participants require to sleep on the floors, given minimum simplest vegetarian food, kind of yogic lifestyle for a week with total engagement on the processes round the clock. We charge Rs.15,500.00 (Rupees fifteen thousand five hundred only) per participant to meet up the expenses. For corporate sectors where air-conditioned venue and accommodations are required we charge a fee of Rs. 51,000.00 (Rupees fifty one thousand only) per participant. **As a TEST CASE we can start with a small batch. If you are interested please mail us at matindebnath@gmail.com or call me at 09007162599 (10:00am to 12:00noon on weekdays).**

Thanking you,
